

Vanilla

No other spice is as sensual as Vanilla.

The taste is irresistible and alluring.

Vanilla's bouquet indulge your senses.

There's no doubt that Vanilla is ...

... the Queen of Spices

Symrise is the world's leading supplier of vanilla for the food industry.

The product portfolio is covering a broad range of vanilla extracts, natural vanilla flavorings, nature-identical flavorings and alternative vanilla products.

Please have a look at our assortment of different vanilla products from **Symrise**. We would like to show with our promotion samples that many different applications and combinations are possible with the Flavors from **Symrise**.

Our **Sales Representatives**, guided by our **Application Laboratory**, will give you all support to select the perfect flavor for your product.
